Deal to REJECT cuts to CBAS, MSSP and Disability Services

Included in Final Budget Agreement with the Governor

On June 15, the Legislature wrapped up their work and sent Governor Gavin Newsom their joint budget plan that attempted to preserve CBAS and MSSP in the State Budget.

Today, Governor Gavin Newsom, Senate President pro Tempore Toni G. Atkins and Assembly Speaker Anthony Rendon announced that they reached an agreement on the 2020-21 State Budget. Just minutes ago, CAADS has learned that the final budget agreement is very similar to the Legislative version of the State Budget, which passed in the Legislature last week. The final budget agreement that the Governor and Legislative leadership agreed to today continues to reject several billion dollars in draconian health and human services, including:

- **Rejecting cuts to Aging Programs MSSP and CBAS.**
- **Rejecting cuts to IHSS.**
- **Rejecting cuts to employment and other services in CalWORKs.**
- **Rejecting cuts to Medi-Cal optional benefits and Prop 56.**
- **Rejecting cuts to Disability Services.**
