Accessing Services

Call: **707-462-4343** Reply Time: **Inquire**

Intake Process:

You can become a client in our ADHC program by filling out an application and getting a referral from your physician, health care or community agency, or come in on your own. What happens next?

Many times potential clients prefer a trial visit to experience our program firsthand. You will be assessed by professionals on our staff and approval from your physician is required. After the referral and assessment you can officially become part of our ADHC family!
