Who We Are

Napa Valley Hospice & Adult Day Services offers caregivers needed respite and support while providing affordable day care for the frail elderly, those with early to advanced Alzheimer's disease and related dementias, and to younger adults with physical or mental impairments. Our services can help improve quality of life by providing health, rehabilitation, social services and therapeutic activities designed to provide participants with a sense of community, give participants a sense of purpose through meaningful activities, maintain or improve health through regular health monitoring, promote optimal independence, and help participants remain in their own home.
