APRIL 6 WEBINAR – WHAT WE WILL COVER
Join us for up to the minute guidance on how to organize your Center Without Walls emergency operations. Jill Sparrow, Chief of the CBAS branch for the CA Department of Aging will join us to provide you with the latest status of government waivers, approvals and information you need to get started.

We are in an "all teach, all learn" environment during this emergency. A panel of experienced providers who are early adopters of the Center Without Walls model, representing diverse centers from across the state, will share what they are learning and respond to your questions and ideas.
